Promore Pharmas Certified Adviser is Erik Penser Bank

About Promore Pharma

Promore Pharma is a biopharmaceutical company that develops pharmaceutical product candidates for bioactive wound care. Today, the company has two drug candidates in late clinical development stages, that are based on endogenous peptides, and thus have a strong safety profile. These two products are intended for treatment of chronic wounds, and prevention of scarring on the skin and other tissues. The company is listed on the Nasdaq First North Growth Market.
